

## FRONT PORCH CAFÉ

Since 1990

Welcome! We are happy to have you come and enjoy a meal with us. We opened our doors in the spring of 1990. For nearly 28 years it has been our commitment to bring you local, sustainable natural and organic foods whenever we can. We get up early and make from scratch your breakfast, lunch and dinner. Our juices are fresh squeezed and unpasteurized. All our dishes are free from hydrogenated and partially hydrogenated fats and oils. The chicken we use is responsibly raised, hormone free and vegetarian fed. We use environmentally friendly products when and where we can. We are committed to reduce, reuse and recycle. Thank you from all of us at the Front Porch
